SRI N. B. SIRDESAI.—With reference to the answers given for my Questions (a), (b), (c) and (d), may I know whether the Government is aware of the fact that there are 213 Marathi Schools, 49 Kannada Schools, 7 Urdu Schools and more than 125 existing Schools have no buildings ? May I also know from the Hon'ble Minister when the Government would take action to construct buildings for those schools ?

† SRI MALLIKARJUN KHARGE.—Every year the Government is trying its best to provide buildings and last year we have provided nearly Rs. 1,25,000,00 for taking up construction of buildings. The Hon'ble Member has asked the question regarding repairs to the buildings & if a specific question about the construction of buildings as put, I can answer.

SRI N. B. SIRDESAI.—With reference to your answer to my question (d), may I know whether the Government would take action to ascertain the fact that without carrying repairs to the building at Belgaum, some expenditure has been incurred and shown in the records?. Since two years, repairs have not been done.

SRI MALLIKARJUN KHARGE.—It has not come to my notice.

SRI N. B. SIRDESAI.—I am requesting the Government to ascertain the fact. Whether the Government is prepared to do it or not ?

SRI MALLIKARJUN KHARGE.—I will examine.

SRI B. B. SAYANAK.—While answering (d), you have stated that some repair works were carried out to the buildings situated at Belgaum City and Chikodi. May I know the details about the repair works carried out in other talukas ?

SRI MALLIKARJUN KHARGE —We have already written to the Public Works Department to take up the rapair works in Taluk Headquarters and it is under consideration.

SRI B. B. SAYANAK.—Repair works are not done uptill now. The rainy season has started. When are you going to take up the repair works ? Are you going to take it up in the month of December or January ?

SRI MALLIKARJUN KHARGE —Every year we are taking up repair works but due to paucity of funds, we are not able to take up and complete all the buildings at a time.
